The fixture corpus at a glance

Six public-domain works, listed oldest first. Every fact in this table can be checked against the works themselves, so a question answered from it has a right answer — and the answer is only available in table form.

Work	First published	Author or editor
The Declaration of Independence	1776	Second Continental Congress
The Constitution of the United States	1787	Constitutional Convention
The Federalist Papers	1787-88	Hamilton, Madison and Jay
The Song Celestial	1885	translated by Sir Edwin Arnold
